RESOLUTION NO. 41-09

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RICHMOND, CALIFORNIA TO SUBMIT TO THE VOTERS OF THE CITY OF RICHMOND AT THE NOVEMBER 2, 2010 GENERAL MUNICIPAL ELECTION AN ORDINANCE RELATING TO THE CITY’S TELECOMMUNICATIONS, GAS, ELECTRICITY, WATER AND VIDEO USERS’ TAX SO THAT ALL USERS, INCLUDING LARGE INDUSTRIAL USERS, SHALL PAY UTILITY TAXES BASED ON ACTUAL USAGE, AND TO ELIMINATE ANY UNCERTAINTY AND ENSURE THAT THE TAX COVERS ALL GAS WHICH IS USED OR CONSUMED TO PRODUCE ENERGY OR FOR ANY OTHER PURPOSE

WHEREAS, pursuant to Chapter 13.52 of the Richmond Municipal Code, the City currently levies a Utility Users’ Tax; and

WHEREAS, Section 13.52.060 of the Code specifies application of the tax to users of gas; and

WHEREAS, Chapter 13.52 generally provides that amount of tax paid by a utility user is based on the actual usage by the utility user; and

WHEREAS, Sections 13.52.100 and 13.54.160 of the Code provide for a “Maximum Tax Payable” that allows a large utility user to choose to pay an amount that is not based on actual usage; and

WHEREAS, the City Council desires to eliminate the “Maximum Tax Payable” pursuant to Section 13.52.100 and Section 13.54.160 of the Code, so that all service users, including large utility users, pay Utility Users’ Taxes based on actual use; and

WHEREAS, Section 13.52.060 of the Code specifies application of the tax to any person using gas in the City which is transported through a pipeline distribution system or by mobile transport, including gas provided by self-production, but excluding gas which is to be resold; and

WHEREAS, the City Council desires to make revisions to Section 13.52.060 of the Code in order to eliminate any uncertainty and ensure that the tax covers all gas which is used or consumed to produce energy or for any other purpose, including gas transmitted by internal gas pipelines, and to further provide that the tax on gas provided by self-production be based in part on the fair market value of natural gas required to produce the same amount of energy; and

WHEREAS, the proposed ordinance, which is attached hereto and incorporated herein by reference as Attachment "A" (the "Ordinance"), would adopt these proposed amendments; and

WHEREAS, pursuant to Article XIIIC of the California Constitution, the City Council desires to submit the Ordinance to the qualified electors of the City at a regularly scheduled general election for members of the City Council, namely the Municipal Election to be consolidated with the November 2, 2010 Statewide Election;

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Richmond, California, as follows:

1. Pursuant to Article XIIIC of the California Constitution and Elections Code Section 9222, the City Council hereby submits the Ordinance to the voters at the November 2, 2010 Election and orders the following question to be submitted to the voters at the Election:

industrial purpose; and (3) ensure that the tax is paid on self-produced gas used by an industrial utility user?"

This question requires the approval of a majority of those casting votes.

2. The City Clerk, City Attorney and other City staff are hereby directed to take all action necessary to ensure that this ballot measure shall appear on the November 2, 2010 election ballot, including the timely preparation and submission to the Council for adoption any additional appropriate election resolutions.
