Each property owner may return the ballot by mail or in person to the City Clerk no later than the conclusion of the public hearing scheduled for Tuesday, July 28, 2009. After the close of the public hearing, pursuant to Section 4 (e) of the California Constitution, the City Clerk or their designee shall open and tabulate the ballots returned to determine if majority protest exists. Only those ballots issued by or on behalf of the City and signed by the property owner of record or authorized representative, shall be considered as valid ballots and shall be weighted according to the proportional financial obligation of each affected property.
