RESOLUTION NO. 26-10

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RICHMOND SUPPORT FOR THE WILDCAT CREEK TRAIL OVER-CROSSING OF THE RICHMOND PARKWAY AND AUTHORIZATION TO EXECUTE A COOPERATIVE FUNDING AGREEMENT

WHEREAS, the East Bay Regional Park District operates and maintains the Wildcat Creek Regional Trail, which currently crosses under the Richmond Parkway by way of an under-crossing structure built by the U.S. Army Corps of Engineers; and

WHEREAS, the trail under-crossing was designed with a flood wall which would be occasionally overtopped by Winter flows from Wildcat Creek leaving behind silt and debris requiring the under-crossing to cleaned out by the Park District prior to its use in the Spring; and

WHEREAS, over the last decade, the inundation of the under-crossing by Wildcat Creek has become much more frequent, severely limiting the amount of time that the trail can be used at this location; and

WHEREAS, EBRPD commissioned an engineering study to analyze the feasibility of retrofitting the existing under-crossing or alternative ways to have the trail cross the Parkway; and

WHEREAS, the study indicated only two (2) feasible crossings for the trail, construction of an over-crossing at an estimated cost of $7-8 million or more frequent dredging of the creek and a reconstruction of the existing under-crossing; and

WHEREAS, the Contra Costa County does not have the operational funding needed to increase the frequency of creek dredging at this time and does not expect to have it in the future;

NOW, THEREFORE, BE IT RESOLVED, that the City Council of the City of Richmond supports the effort to build an over-crossing for the Wildcat Creek Trail, at the Richmond Parkway and authorizes the execution of a Cooperative Funding Agreement (Attachment A) with the East Bay Regional Park District and Contra Costa County which will commit these agencies to acquiring the land tenure and funding necessary for the project and memorialize the City of Richmond's commitment to maintain the structure; and

BE IT FURTHER RESOLVED, that the City Manager is hereby authorized and directed, on behalf of the City Council and in its name, to execute and deliver such documents and do such acts as may be deemed necessary or appropriate to accomplish the intentions of this resolution.

WITNESSETH

WHEREAS, the study indicated only two (2) feasible crossings for the trail, construction of an over-crossing at an estimated cost of $7-8 million or more frequent dredging of the creek and a reconstruction of the existing under-crossing; and

WHEREAS, the COUNTY does not have the operational funding needed to increase the frequency of creek dredging at this time and does not expect to have it in the future; and

EBRPD shall be responsible for collecting, accounting, and disbursing all funds received through these fund raising efforts and shall establish and maintain an independent account, to hold these funds.

4. REVIEW/APPROVAL: EBRPD shall be responsible for developing the final construction plans and specifications for the PROJECT and obtaining approvals as required by the CITY or COUNTY prior to the start of construction.
