WHEREAS, on April 25, 2012, the City Council of the City of Richmond (the “City Council”) adopted the Richmond General Plan 2030 (the “General Plan”), which establishes the goals, policies and implementing actions for development of the City of Richmond; and

WHEREAS, Policy CR1.7 of the General Plan calls for the support of proposed ferry service to Richmond; and

WHEREAS, on November 2, 2004, Contra Costa County voters approved Measure J, which extended the one-half cent local transportation sales tax first established by Measure C in 1988 for another 25 years; and

WHEREAS, Measure J included an expenditure plan (the “Expenditure Plan”), which outlines how revenues from the transportation sales tax are to be spent; and

WHEREAS, the Expenditure Plan includes Program 22b for Ferry Service in West County (“Program 22b”), and specifies that 2.3% of Measure J revenues be used for:

“...ferry service in West County from Richmond, and Hercules or Rodeo to San Francisco (with potential stops in-between). The funds may be used for capital improvements (landside improvements, parking, lighting, etc.), operating the service, transit feeder service, way-finder signs, and/or other components of ferry service to be determined by [the West Contra Costa Transportation Advisory Committee] and [WETA, as successor to the WTA], the agency authorized by the State to provide a comprehensive water transit system for the Bay Area ... funding priority should be given to routes that demonstrate long-term sustainability[.]” and

WHEREAS, the City of Richmond wishes to advance the implementation of ferry service between Richmond and San Francisco (the “Richmond Ferry Service”) through the use of Program 22b funds for anticipated operating expenses of the Richmond Ferry Service; and

WHEREAS, the City of Hercules wishes to ensure that Program 22b funds are available for eligible uses identified in the Expenditure Plan for ferry service between Hercules and San Francisco (the “Hercules Ferry Service”); and

WHEREAS, an Agreement for Funding of Ferry Service to Hercules between the City of Richmond and the City of Hercules (the “Agreement”) has been prepared and provides for the apportionment of Program 22b funds between the Richmond Ferry Service and the Hercules Ferry Service; and

WHEREAS, the Agreement provides that the City of Richmond will provide funding to the City of Hercules for Hercules Ferry Service operations if Program 22b funds used for the Richmond Ferry Service exceed 50% of available Program 22b funds; and

WHEREAS, the Agreement provides that the City of Richmond's obligation to provide funds to the City of Hercules may be reduced by the amount of any funding allocated under any future countywide transportation measure which allocates additional funding towards West Contra Costa County Ferry services and which is dedicated to Hercules Ferry Service; and

WHEREAS, the City of Richmond will have no financial obligations under the Agreement if ferry service to Hercules is not commenced prior to January 1, 2030; and
