Grantee shall be entitled to (i) enter the Storm/Sewer & Access Easement Area, with persons, vehicles and any other equipment it deems necessary at reasonable times and in a reasonable manner for the purpose of the performance of such maintenance and repair activities as are necessary to restore the Storm/Sewer Facilities to good condition and repair, (ii) expend such funds as are reasonably necessary to provide the necessary maintenance and/or repair.

6. **Right of Entry.** The Easement herein granted includes incidental rights (the “Right of Entry”) to enter upon the Grantor’s Property for the purpose of constructing, maintaining, repairing and replacing the Roadway and all improvements, landscaping and plantings connected therewith; so long as such entry and activities are undertaken in a way which shall minimize any impact upon or conflict with the use of the Grantor’s Property and provided, further, that following such activities, Grantee shall restore and return the Grantor’s Property to the condition in which it existed prior to said activities. The rights granted Grantee under the Right of Entry shall include the right to install excavations and trenching upon the Grantor’s Property. Grantee at its sole cost and expense shall apply for, process and obtain all requisite permits and entitlements for the installation, use, maintenance, repair and replacement of the Roadway and related facilities. The term "hazardous materials" as used in this Agreement shall mean any substance, product, waste or other material of any nature whatsoever which is or becomes listed, regulated, or addressed pursuant to the Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. sec. 9601 et seq.); the Resource Conservation and Recovery Act (42 U.S.C seq 6901 et seq); the California Hazardous Waste Control Act (Health and Safety Code Sec. 25100 et seq.); or 22 California Administrative Code Secs. 66680 through 66685 and Secs. 66693 through 66740, all as amended from time to time, or any other federal, state or local statute, law, ordinance, resolution, code, rule, regulation, order or decree regulating, relating to, or imposing liability or standards of conduct concerning any hazardous, toxic or dangerous waste, substance or material, as now or at any time hereafter may be in effect.

Grantor may at all times after any delinquency pay and discharge all of such delinquent charges, taxes, rates and assessments against the Easement Areas after reasonable verification thereof, and all such payments so made by Grantor, with interest thereon at the rate of ten percent per annum from date of payment shall be made by Grantee upon demand.

10. **Interest Created.** Grantee hereby recognizes Grantor's fee title and interest in and to the Easement Areas and agrees never to assail or resist Grantor's title or interest therein. Except for the Easements provided for herein, no legal title in said Easement Areas shall be deemed or construed to have been created or vested in Grantee by anything contained in this Agreement. It is expressly understood and agreed by Grantee that Grantor shall be under no obligation to protect the privileges granted hereunder as against trespassers or third parties (other than those claiming by through or under Grantor) by legal proceedings or otherwise, however, Grantor shall not interfere with said privileges to which Grantee is entitled. This grant is subject to all currently valid and existing easements affecting said Easement Areas and which have been disclosed to Grantee; however, Grantor shall not grant any rights in the Easement Areas which are inconsistent with the rights granted to Grantee hereunder.
11. Initial Improvements and Maintenance.

(a) Grantee shall be responsible for improving the surface of the Easement Areas in accordance with the Plans at Grantee’s sole cost and expense.

(b) Grantee, its successors and assigns, shall maintain the Easement Areas including all improvements (except for the PUE Areas which are the responsibility of the PUEs to maintain) in good repair condition and in compliance with all applicable laws at its sole cost and expense. GRANT OF PUBLIC ACCESS EASEMENT AND TERMINATION OF ROAD EASEMENT

This Grant of Public Access Easement and Termination of Road Easement (the “Grant”) is executed this 26th day of June, 2017 (the “Effective Date”) by and between the SHEA HOMES LIMITED PARTNERSHIP, a California limited partnership (“Grantor”) and the CITY OF RICHMOND, a municipal corporation (“Grantee”), who agree as follows:

BACKGROUND

A. Grantor owns that certain real property located in the City of Richmond, Contra Costa County, State of California, as more particularly shown in the final subdivision map entitled SUBDIVISION 4922, filed for record on June 7, 2017, Book 582 of Maps at Page 14-38 Official Records of Contra Costa County, California (the “Final Map”) and described in the attached Exhibit A (“Legal Description, Land of Shea Homes, Inc.”). Grantor is developing upon Grantor’s Property a residential development that will include private roadways to be conveyed to, controlled and maintained by a homeowners association (the “Project”).

B. Grantee currently holds a non-exclusive, public service easement in, under, across and over a portion of the Grantor’s Property, which easement was created by that certain grant of road easement dated June 12, 2008, recorded as Document DOC-2008-0211511-00 on September 24, 2008 in the Official Records of Contra Costa County, California (the “Existing Easement”).

C. In order to allow public access across a portion of the private streets within the Project (the “Public Access Area”) to allow access onto Canal Boulevard, Grantee is, under a separate document, conveying to Grantor an easement for private road purposes across City owned property. That easement will allow use by the public of the easement area on City owned property to access Canal Boulevard and this Grant will create in the public access rights across portions of the private streets within the Project, the Public Access Area, to access Canal Boulevard. The purpose of this Grant of easement is to grant to the City rights for the public to utilize the Public Access Area across a portion of the private streets within the Project in order to access Canal Boulevard and to terminate the Existing Easement.
NOW, THEREFORE, it is agreed by the parties hereto as follows:

AGREEMENT

1. **Grant of Easement.** Grantor hereby grants to Grantee, for the benefit of the public, a non-exclusive public pedestrian and vehicular access easement over and across those portions of the private streets within the Public Access Area, as shown on Exhibit B ("Legal Description, Public Vehicular Access Easement"). The purpose of affording public pedestrian and automotive access across the Grantor’s Property is to allow access onto Canal Boulevard and ultimately to Grantee’s Property at Shipyard No. 1.

2. **Character of Easement.** Grantee’s easement and the use of the Public Access Area granted herein shall be non-exclusive and in gross. Notwithstanding the terms of this Grant, Grantor reserves the right to use the Grantor’s Property in a manner consistent with the public’s free use and enjoyment of the easement.

3. **Use By The Public.** Except as otherwise provided herein, the public shall use reasonable care and may not unreasonably increase the burden on the Grantor’s Property or make any material change in the Grantor’s Property.

4. **Termination of Existing Easement.** The City of Richmond ("City") was granted the Existing Easement, a Road Easement across the Grantee’s Property by that certain Grant of Road Easement dated June 12, 2008 and recorded on September 24, 2008 as Document No. DOC-2008-0211511-0 in the Official Records of Contra Costa County, California. By executing this Grant, the City consents to, surrenders and terminates the Existing Easement and deems it to be replaced by the Easement granted herein.

5. **Interest Created.** Grantee hereby recognizes Grantor’s fee title and interest in and to the Public Access Area and agrees never to assail or resist Grantor’s title or interest therein. Except for the Easements provided for herein, no legal title in said Public Access Area shall be deemed or construed to have been created or vested in Grantee by anything contained in this Agreement. It is expressly understood and agreed by Grantee that Grantor shall be under no obligation to protect the privileges granted hereunder as against trespassers or third parties (other than those claiming by through or under Grantor) by legal proceedings or otherwise, however, Grantor shall not interfere with said privileges to which Grantee is entitled. This grant is subject to all currently valid and existing easements affecting said Public Access Area and which have been disclosed to Grantee; however, Grantor shall not grant any rights in the Public Access Area which are inconsistent with the rights granted to Grantee hereunder.

6. **Initial Improvements and Maintenance.**

   (a) Grantor shall be responsible for improving the surface of the Public Access Area in accordance with the approved plans at Grantor’s sole cost and expense.

   (b) Grantor, its successors and assigns, shall maintain the Public Access Area including all improvements in good repair and condition and in compliance with all applicable laws at its sole cost and expense.

7. **Successors and Assigns.** All provisions of this Agreement, including the benefits and burdens set forth herein, shall run with the land and are binding upon and shall inure to the
benefit of the successors and assigns of the parties hereto, including but not limited to the successive owners of all or any portion of the Project site.
