RESOLUTION NO. 3-18

RESOLUTION OF THE COUNCIL OF THE CITY OF RICHMOND, CALIFORNIA CALLING FOR THE EXTENSION OF TEMPORARY PROTECTED STATUS FOR CURRENT RECIPIENTS, AND A NEW PATH TO PERMANENT RESIDENCY

WHEREAS, the City of Richmond has acted as a Sanctuary City for nearly three decades and the City Council has repeatedly affirmed the city’s commitment to protecting all residents; and

WHEREAS, Temporary Protected Status, or TPS, provides relief from deportation and access to a work permit for migrants who cannot safely return to their country of origin due to ongoing crises including armed conflict, natural disaster, and health epidemics, among others, and conditions in designated TPS countries remain dangerous and unsafe, such that deportation places individuals and their families at grave risk; and

WHEREAS, on January 25, 2017, President Trump signed Executive Order 13768, later implemented through a memorandum by the DHS Secretary on February 20, 2017. These executive actions made virtually all immigrants subject to deportation regardless of humanitarian law, putting more than three hundred thousand (300,000) TPS holders and their families at risk; and

WHEREAS, sixteen Senators, including California Senator Kamala Harris, wrote a letter to Secretary of State Rex Tillerson and Secretary of Homeland Security John Kelly urging them to extend Temporary Protected Status for individuals from ten TPS-Designated Countries; and

WHEREAS, TPS beneficiaries and their families have deep ties to the City of Richmond and communities across the nation, where they have started businesses, built community, bought homes, and positively contributed to the social, cultural, and economic fabric of this nation, and their deportation would result in a $45 billion reduction to the national GDP, $6.9 billion in lost social security and Medicare contributions, $1 billion in turnover costs to businesses, and a projected $3.1 billion in deportation related costs; and

WHEREAS, an end to TPS would harm Richmond and the California Bay Area by throwing the lives of long-term residents into chaos, separating families, eliminating small businesses, damaging the social and economic fabric of our city, and undermining our local values of inclusion and protection for all.

NOW, THEREFORE BE IT RESOLVED, that the Council of the City of Richmond requests that the Federal Government extend TPS by no less than eighteen months (18 months) for all designated countries; and

BE FURTHER BE IT RESOLVED that the Council of the City of Richmond urges our State Senators to champion the extension of TPS for no less than eighteen months (18 months) for all designated countries and introduce legislation providing a path to permanent residency; and

BE IT FURTHER RESOLVED that the Council of the City of Richmond requests that both the Executive Branch and Legislative Branch of the Federal Government work together to legislate a pathway to permanent residency for TPS beneficiaries; and

BE IT FURTHER RESOLVED that the Council of the City of Richmond will continue to affirm our city’s values of inclusion, diversity, and human rights; and

BE IT FURTHER RESOLVED that the Council will direct the Clerk to send a copy of this resolution to Representative Barbara Lee and Senators Kamala Harris and Dianne Feinstein.
