Side Letter of Mutual Agreement Between the Richmond Police Officers' Association (RPOA) and the City of Richmond Pertaining to RPOA 2016-2021 MOU Section 16.4 SUPPLEMENTAL PAY

CalPERS recently conducted an audit of certain aspect of the MOU between the City of Richmond and the RPOA. During the course of the audit, PERS determined that certain components, including the Motorcycle Premium pay, needed to be modified in order for it to be PERSable. This modification does not have a financial or an operational impact on the City or the Police Department.

16.4. SUPPLEMENTAL PAY: Sworn Officers assigned to the Investigative Division, including sergeants assigned to the Chief’s Office, Office of Professional Accountability (OPAL), whose primary duty involves conducting “IA” investigations, shall receive a five percent (5%) supplement to their base salary. Sworn Officers assigned to traffic enforcement on motorcycles who complete advanced-riding school and who are in an on-call status shall receive a five percent (5%) supplement to their base salary.

The language shown in strikethrough above will be removed. As such, the MOU language will read:

16.4. SUPPLEMENTAL PAY: Sworn Officers assigned to the Investigative Division, including sergeants assigned to the Chief’s Office, Office of Professional Accountability (OPA), whose primary duty involves conducting “IA” investigations, shall receive a five percent (5%) supplement to their base salary. Sworn Officers assigned to traffic enforcement on motorcycles shall receive a five percent (5%) supplement to their base salary.

*All tentative agreements previously reached by the parties during the negotiations process, will be included as part of this tentative agreement and will be incorporated into the MOU. This tentative agreement shall not bind the parties until it is ratified by the RPOA and by the Richmond City Council.

Side Letter of Mutual Agreement Between the Richmond Police Officers' Association (RPOA) and the City of Richmond Pertaining to RPOA 2013-2016 AND 2016-2021 MOU Section 12 HOLIDAY PAY

CalPERS recently conducted an audit of certain aspect of the MOU between the City of Richmond and the RPOA. During the course of the audit, PERS determined that the MOU needed to description of which components are used to calculate holiday pay.

Currently, the MOU language reads as follows:

**12. HOLIDAYS:** Sworn Officers (other than those identified in Section 12.1 below) shall be permitted to exercise either of the following options for utilization of holiday allowances:

- **A.** Full pay at straight time for fourteen (14) days with no holiday taken as days off.
- **B.** Up to but not in excess of seven (7) days off and pay at straight time for seven (7) days.

Employees shall elect by December 1st of each year whether to receive holiday pay semiannually or monthly. Semiannual reimbursement will be paid in two (2) equal installments with the second pay check in June and the second pay check in December; monthly reimbursement will be paid in twelve (12) equal installments with the second pay check in each month.

To address the concern raised by PERS during the course of their audit, the following language has been mutually agreed to by the City and the RPOA:

The rate at which an employee is compensated for holiday pay pursuant to MOU Section 12 includes: straight pay (base salary), longevity differentials, shift differentials, supplemental pay for education, Investigative division differential, motorcycle differential, acting pay, bilingual pay and any other differentials which may be negotiated between the parties.

*All tentative agreements previously reached by the parties during the negotiations process, will be included as part of this tentative agreement and will be incorporated into the MOU. This tentative agreement shall not bind the parties until it is ratified by the RPOA and by the Richmond City Council.*
