

RECOGNIZING AND REPORTING PROPERTY NUISANCES

One of the City of Richmond's highest priorities is to work with property owners and tenants to preserve and maintain our neighborhoods and commercial areas. The City's Code Enforcement Unit handles complaints related to private property nuisances, both residential and commercial.

Typical conditions enforced include:

- Tall weeds, grass, bushes and trees
- Illegal dumping
- Storage in public view
- Illegal fences
- Improper storage of garbage cans
- Inoperative or unregistered vehicles
- Parking on lawn or unapproved surface

To help us respond to your nuisance complaints, please provide:

- The **exact** property address of the violation
- A full description of the problem
- Your name and phone number if you would like to be contacted

To report these types of problems call Code Enforcement at **(510) 621-1279**.

Please remember that not every condition reported will necessarily be a violation. It will be determined upon investigation of the Code Enforcement Unit.

TOGETHER WE CAN MAKE A DIFFERENCE!
